

## **What will spring bring**

Spring is here,  
the snow is gone,  
what's that green stuff?  
It's our lawn!

Our coats and hats,  
we've tossed aside,  
lets grab our bikes,  
and take a ride!

we'll play some catch,  
we'll climb some trees,  
we'll swing some bats,  
this day we'll seize!
